

Attendance Policy For Students Credit Completion

Students are expected to attend all classes. A written doctor's note is required for an excused absence.

Discipline

Students will adhere to rules and regulations pertaining to student discipline per the PLC student handbook.

Grades

Final grades will be issued at the end of summer classes.

PLC Mission Statement

As a family, Pineland Learning Center flourishes when everyone (students, their families and staff) works together toward a common mission.

PLC provides an educational program that empowers students to succeed through the development, enhancement and reinforcement of self-regulation, learning, social and emotional skills so that students may become contributing members of society to the fullest extent of their potential.

Academic Reinforcement

In and out of the classroom, all activities support the standards-based curriculum by providing academic reinforcement, and/or as a curriculum extension.

In addition to language arts, math, science, and social studies, components of the ESY program include:

- Technology
- Marine Science
- Environmental Education at the "660" Satellite Campus
- Art
- Physical Education
- Swimming Classes

Off-Campus Learning Experiences Include:

- Oakwood Summer Theatre
- Cape May Zoo

PINELAND LEARNING CENTER

520 N. 4th Street
Vineland NJ 08360

Extended School Year 30-Day Program

July 6th - August 16th
8:30am - 3pm

Vineland Campus
520 N. 4th Street
Vineland NJ 08360

For more information contact:
Mary Lou Pierce, Curriculum Supervisor
Phone 856-378-5020 ext. 239

Curriculum Theme:
**“Animal Migration -
A Trek Through Time”**

What is it that makes animal migration such a magnificent spectacle for the eyes and mind? The obstacles they overcome? The amazing feats of precise navigation? The answer is both of the above and more.

ESY students will study the long distance journeys of wildebeests, gray whales, sandhill cranes, monarch butterflies, loggerhead sea turtles, red crabs, and many others in the context of language arts, science, social studies, and math curriculum.

Developmental Disabilities Program

PLC provides a developmentally-appropriate program for students on the autism spectrum that supports academic growth and promotes social development.

Enrollment is extended to students who are not currently attending Pineland Learning Center.

PLC's Extended School Year Program is designed to meet the needs of a student who:

- is likely to demonstrate substantial regression in his or her learning skills, and/or has difficulty in relearning skills
- has experienced a lack of satisfactory progress in meeting IEP goal and objectives
- requires the unique nature of specifically designed instruction or related services due to his or her disabilities
- has vocational/transitional needs
- is in need of socialization skills
- needs credit completion
