

Teacher of Science

Pineland Learning Center is looking for qualified applicants interested in a full-time Science Teacher (Grades 6-12) position that can pique students' interest in scientific concepts and inspire them to seek out answers from the natural world around them. Appointment will be for the 2018-2019 school year and commence on September 1st. Must be self-directed, collaborative and possess the ability to develop positive working relationships with staff, students, and parents.

Duties:

- Prepare and execute lesson plans using varied instructional materials and appropriate technology to provide differentiated instruction and facilitate active learning, in accordance with established procedures.
- Manage student behavior and maintain discipline by establishing procedures and enforcing rules in accordance with Pineland Learning Center's behavior program.
- Supervise students at all times, including during arrival/dismissal and mealtimes.
- Review, implement, maintain, and develop IEPs and other reports regarding students' progress and development as required by law and school policy.
- Assign and grade class work, homework, tests and assignments; Monitor and assess the progress of individual students and adjust teaching strategies accordingly.
- Maintain accurate and complete records as required by law and school policy.
- Participate in department, school, district, and parent meetings.
- Communicate effectively and work cooperatively with students, staff, parents, and colleagues regarding student progress and student needs.
- Prepare and maintain classroom, bulletin boards, and instructional materials.
- Participate in school-related activities as required, including back to school night, parent-teacher conferences, staff meetings, in-service trainings, and professional development.
- Perform other duties as assigned.

Requirements:

- Must possess a NJDOE CE, CEAS, Provisional or Standard Certificate as Teacher of Science.
- Must obtain a NJDOE Criminal History Background Check Approval
- Tuberculosis testing required
