January 6, 2021

Pineland School Community,

The decision has been made that Pineland Learning Center will be extending it's full virtual instructional model. We will continue our virtual instruction through Thursday, January 14, 2021.

This decision was determined based on the possibility of a surge in positive COVID-19 cases over the next two weeks coming off of the winter break. This will only add 3 more virtual days to the schedule: Monday, January 11, Tuesday, January 12 and Thursday, January 14. Wednesday, January 13, is already a scheduled remote day and Friday, January 15, is a staff in-service day and there is no school for students.

The plan is to return to our hybrid in-person model for all students on Tuesday, January 19, 2021. Our hope is by that time, any positive COVID-19 cases or close contact situations will be resolved and we will all be able to feel safer and more comfortable returning to the building.

Keeping the safety and wellness of our students and staff as our top priority, we believe extending the full virtual model is the optimal way to proceed. If any of the plans change during this time period, we will inform you as soon as possible.

Sincerely,

Lisa A. Lamb
School Director
