March 1, 2024

Dear Parent/Guardians:

Your child will be participating in the **2024 New Jersey Graduation Proficiency Assessment (NJGPA)** on **March 11-14, 2024**. This is a state-mandated assessment, required for all 11th-grade students to take in preparation for graduation. The NJGPA is aligned to the grade 10 New Jersey Student Learning Standards for English language arts, algebra I, and geometry. See the table below for testing dates and times:

Test	Date	Units	Length of Time
ELA	March 11	1	90 minutes
ELA	March 12	1	90 minutes
Math	March 13	1	90 minutes
Math	March 14	1	90 minutes

All testing will take place in the morning, adjusting the daily schedule. Once testing is completed, the students will resume their normal schedule. Testing times are not flexible, so please ensure your child arrives on time and well-rested for school. If there is a delayed opening or closure, testing will be rescheduled. *If your child is absent during any of the testing days, there will be an opportunity for your child to make up the test on March 19-22, 2024.* Please note, if your child does not complete the required state testing, he or she will be expected to make it up either in the summer or fall of 2024.

Please be aware your child will have the opportunity to participate in practice tests, as provided by the New Jersey Department of Education. He or she will be utilizing instructional time in preparation for the upcoming assessments. The link below offers additional information and parent resources provided by the NJDOE.
