

Pumpkin goop

# Ingredients

- The ingredients we got were:
- Water
- Clear Elmer's glue
- Pumpkin
- Cup
- Spoon
- Bowl
- And liquid starch

# Step one

---

- Pour liquid starch and glue into a bowl or pumpkin and start to mix
- Imaree and John helped stir and pour

## Step two (the fun one)

- Give each student parchment paper, some of the mixture, and some pumpkin guts
- Have the students mix (:

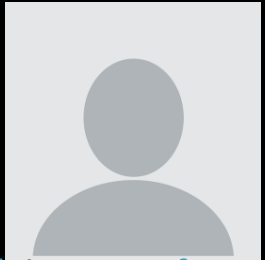

When done step two the slime should be done
