

Hello!

Your students are invited to be part of the [2021 Stockton CSI Summer Camp](#) for High School students at [Stockton University](#), just west of Atlantic City.

Stockton CSI is a residential summer camp for high school students (and those who will enter high school in the fall) who would like hands-on experience with a homicide investigation and trial. The camp has been featured on *The Today Show* and in *The Wall Street Journal*.

Campers will work alongside criminal justice and forensic psychology professionals as part of an elite team to help solve a murder. They will be involved with every phase of the investigative and legal process, from a crime scene investigation to a criminal trial. Campers will also go meet attorneys, criminologists, and professionals from the Atlantic County Medical Examiner's Office, the Air Marshal Training Center, and the Atlantic County Jail.

For more information, please visit our website: www.StocktonCSI.com

Stockton will offer three camps this summer. Space is limited to 25 students per camp. Please encourage your students to register early!
