AUTISM AWARENESS

Pineland students and staff did a great job of lighting up blue with kindness on April 30th. We are committed to the awareness of all people with autism and supporting them to reach their full potential. Pineland celebrated this awareness throughout the month of April, Autism Awareness month.

SUMMER PROGRAMS

This includes both our traditional Extended School Year Program as well as our Learning Loss Program determined by remote learning over the past year. Our program will operate Monday through Friday beginning Tuesday, July 6th. The last day for the students will be on Monday, August 16th. The day will start at 8:30 a.m. and will end at 1:30 p.m. Breakfast and lunch will be provided daily. Your school district will notify you of bus pick-up and drop-off times.

Pineland staff will use a student-centered approach with small group and individualized instruction. The instruction will be based on student's individual strengths and needs. A number of enjoyable educational assemblies and experiences have also been planned. Here are just a few:

- BMX Bike Performance
- Wildlife Visit
- Planetarium Experience
