

## Directions for the Weekly Mystery Box

*Last period of the day (Mon-Thurs)*

### Day 1

#### THE BIG REVEAL

- Open the mystery box **WITH** your class (No PEEKING)
- Take out the materials that are given for each mystery box
- Have a short discussion with your class and have them start to **brainstorm**

### Day 2 & Day 3

#### SEQUENCE/BUILD AND TEST

- Students will fill out a sequencing/organizer template
- Start to build/create a mystery project
- Test and make adjustment/improvements (if needed)
- *All materials will be located in the box*

### Day 4

#### FINAL PRESENTATION

- Complete reflection paper
- Have the students (independent or group) present their creation to the class

### Day 5

#### DISPLAY

- Display the completed mystery box projects in the multi-purpose room on Friday morning.
- You will have the opportunity to view all the projects once they are all completed.
